**LITTLE TRAVERSE BAY HUMANE SOCIETY
CAT ADOPTION POLICIES AND APPLICATION**

1. No animal will be released for adoption unless deemed healthy by the Executive Director or the Adoption Committee.
2. Animals will not be adopted to persons who have had charges or complaints which have resulted in interaction with the Animal Control Officer or courts. Approval of application is at the discretion of the adoption committee.
3. Animals will not be adopted out that are to be given as gifts, except those from a parent to a domicile minor child. LTBHS will be happy to issue gift certificates upon request.
4. Kittens under five (5) months of age will not be adopted out to households with children under four years of age unless approved by the Executive Director or the Adoption Committee.
5. No animals will be adopted for “outside only” homes unless approved by the Executive Director or the Adoption Committee.
6. Animals will not be adopted to minors. Adopters must be 18 years of age or older.
7. Adoptions will not be approved to applicants if the home is deemed unsuitable for that individual animal.
8. All animals in the home must be spayed or neutered and have current vaccines.
9. All residents of the home must agree to and be informed of the adoption.
10. An adoption application must be completed, approved by LTBHS and the adoption fee paid before an adoption can proceed or if an animal will be placed on hold for that applicant.
11. If you decide to return the animal to LTBHS within two weeks of the adoption, the total adoption fee will be refunded within thirty (30) days after the animal is returned. The total adoption amount is NON-REFUNDABLE after two weeks.
12. Landlords, housing authorities or housing associations must approve pets on premises prior to approval of adoption by LTBHS and before the animal is allowed to leave.
13. Some animals will require home ownership and/or a fenced in yard in order for an adoption to be approved.
14. False information on this form will result in the adoption being declared null and void with the animal to be returned to LTBHS upon notification.
15. **Filling out this form does not guarantee an adoption will be approved. We reserve the right to deny any application without reason.**

CAT AND KITTEN HEALTH STATEMENT

Thank you for considering adopting a cat or kitten from Little Traverse Bay Humane Society. When a cat or kitten arrives at our shelter, he/she is vaccinated, wormed and feline leukemia tested. Little Traverse Bay Humane Society group tests litters of kittens and/or tests the mothers of the litters. Feline Immunodeficiency Virus (FIV) and Feline Leukemia can be passed from the mother or father cats to the kittens in the litter. If the mother's test is positive, all kittens will be tested individually at that time. A negative test is a good indicator, but does not ensure that a kitten is negative. In the event that the mother is not present, it is the practice of Little Traverse Bay Humane Society that one kitten in the litter will be tested. Any additional or individual tests above and beyond would be at the discretion and/or expense of the adopter. We treat the animals for whatever health problems we see while they are with us. Unfortunately, the cat or kittens may leave the shelter looking healthy but may come down with an illness after they get home. For this reason do not expose the cat to other cats for at least two weeks.

The most common of these illnesses is the "kitty cold" or upper respiratory infection. The common signs of the kitty cold are similar to humans and include sneezing, runny nose, watery eyes and chest congestion. This can become serious if not treated promptly. You will need to take your cat or kitten to a veterinarian. The cost for diagnosis and treatment may be more than \$75.00. Please be aware of this possibility before agreeing to the adoption.

There are other illnesses that may affect cats and kittens. Some of the illnesses that we have encountered include Ringworm, FIP (Feline Infectious Peritonitis), FIV (Feline Immunodeficiency Virus) and diarrhea due to change in diet. We feed and recommend NUTRO Natural Choice Adult Chicken and Whole Brown Rice Indoor Formula for the cats and NUTRO Natural Choice Kitten Chicken and Whole Brown Rice Indoor Formula for the kittens because it is nutritionally good for your pet. Your pet may be on a special diet. Please discuss with staff if this is applicable. If you decide to change the food brand, it should be mixed gradually over a period of two (2) weeks with the food the animal is currently receiving. Please feel free to talk to us if you have any concerns or questions about any symptoms your pet may be experiencing or exhibiting.

You, "the owner," will be financially responsible for any veterinarian and/or medical bills that this cat or kitten may incur once you adopt and the animal leaves our premises.

If your cat or kitten does become ill, please notify LTBHS at 231-347-2396 immediately.

Adoption of an animal is a serious responsibility. The guardian(s) must be capable of morally, physically, and financially accepting that responsibility.

I/we hereby desire to adopt the cat/kitten named "_____."

I/we agree to provide proper food, water, shelter and kind treatment at all times.

I/we agree to take the animal to a veterinarian for examinations and immunizations as needed and to seek immediate veterinary care, at my/our own expense, should the animal become ill or injured. I/we understand that after a trial period of two weeks following the adoption, LTBHS can finalize the adoption and no refund will be given after that time if the animal has not been returned to the shelter.

I/we understand that LTBHS cannot guarantee the health, temperament, or training of the adopted animal(s) and hereby agree to release and hold harmless LTBHS from any and all liability for any accidents or injuries, which may arise out of my/our adoption of caring for this/these animal(s).

Health Guarantee and Return Policy

Little Traverse Bay Humane Society claims no liability in the health of our pets if they are to become ill. However, if the animal were to become sick within our two week trial period, the animal can be returned and your full adoption fee will be refunded within thirty (30) days.

If for some reason you decide not to keep your cat or kitten after the two-week trial period is over, you must first contact Little Traverse Bay Humane Society. We have space limitations and an appointment will need to be arranged prior to returning your pet. The Adoption Fee will not be refunded.

Please be patient, there are a lot of animals in need of our services. We appreciate your cooperation.

**LITTLE TRAVERSE BAY HUMANE SOCIETY
CAT ADOPTION APPLICATION**

Adopting a pet is a **lifetime commitment**. If you aren't prepared to work with your pet through the adjustment period and beyond, please look no further. If you won't keep your pet if you move or as your family grows, please look no further. If you aren't prepared to nurse your pet back to health if it gets ill or if it needs surgery, please look no further.

Rescue animals have been through so much – dumped in shelters or found roaming the streets. They have been abandoned, neglected, starved and possibly physically abused. They need TIME, PATIENCE, UNDERSTANDING and LOVE in order to succeed in their new homes. Sometimes it may take several months for a rescue animal to make the adjustment to your home and family. If you aren't 100% committed to making this work with your new pet, please don't adopt. Any adopter of a rescue animal who has been through the adjustment period can tell you it's worth it. No pet is perfect just like no human is perfect. Please don't expect too much too soon from your new pet. We want every adoption to be successful.

Please print clearly.
