### Independent Auditors' Report

Board of Directors Little Traverse Bay Humane Society Harbor Springs, Michigan

We have audited the accompanying financial statements of Little Traverse Bay Humane Society (a nonprofit organization) which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities, functional expenses and cash flows for the years then ended and the related notes to the financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Little Traverse Bay Humane Society as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# LITTLE TRAVERSE BAY HUMANE SOCIETY NOTES TO FINANCIAL STATEMENTS December 31, 2015 and 2014

#### NOTE 1: ORGANIZATION AND PURPOSE

Little Traverse Bay Humane Society is a not-for-profit corporation organized on a membership basis. Members are those that contribute \$30 or more during the year, without making a specific designation.

Our mission is to offer a warm shelter, veterinary care, and personal attention to all the animals while they are in our care and proactive methods in controlling pet overpopulation. Little Traverse Bay Humane Society has committed ourselves to educate the public on the humane treatment of companion animals.

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

<u>Basis of Presentation</u>: The financial statements of the Little Traverse Bay Humane Society are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> – Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may or will be met, whether by actions of the Little Traverse Bay Humane Society and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

<u>Permanently restricted net assets</u> – Net assets required by donor-imposed stipulations to be maintained in perpetuity.

<u>Contributions</u>: Contributions are considered available for unrestricted use unless specifically restricted by the donor. Contributions of non-cash assets are recorded at their fair values on the day received.

<u>Donated Services</u>: A substantial number of volunteers including board members have donated significant amounts of their time in the Organization's behalf. The donated services have not been reflected in the accompanying financial statements since no objective basis is available to measure the value of such services.

<u>Federal Income Taxes</u>: Little Traverse Bay Humane Society is exempt from federal income taxes under Code Section 501(c)(3). It has been classified as an organization that is not a private foundation under Section 509(a)(2) of the Internal Revenue Code and qualifies for the 50 percent charitable contributions deduction for individual donors. No provisions for income taxes have been provided in these financial statements.

<u>Cash and Cash Equivalents</u>: For purposes of the statements of cash flows, Little Traverse Bay Humane Society considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

<u>Investments</u>: Investments are composed of equity securities and are carried at fair value.

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

<u>Interest and Dividends</u>: Interest and dividends are reported net of investment advisor fees of \$20,144 and \$14,490 for the years ended December 31, 2015 and 2014, respectively.

<u>Equipment</u>: Fixed assets acquired by purchase or construction are recorded at acquisition cost. Donated assets are recorded at their estimated market value on date of donation. All assets are depreciated over their estimated useful life using the straight-line method. Asset groups and their estimated useful lives are as follows:

Furnishings and equipment 5 -15 years Building 40 years Site improvements 20 years Vehicles 5 years

<u>Estimates</u>: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

<u>Functional Expenses</u>: Functional expenses have been allocated based on estimates made by the Organization's management. Included in the allocation are joint costs allocated to fundraising and membership development.

<u>Fair Value of Financial Instruments</u>: Generally accepted accounting principles require disclosure of an estimate of fair value of certain financial instruments. The Organization's significant financial instruments are cash, accounts receivable, marketable equity securities, and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

Generally, for all securities, loans, hybrid financial instruments, private equity investments, and long-term debt, fair value is determined by reference to quoted market prices and other relevant information generated by market transactions. When the fair value of assets and liabilities cannot be determined in this matter, fair value is estimated using the present value of expected cash flows.

#### NOTE 3: CASH

At year-end, the carrying amount of Little Traverse Bay Humane Society's deposits was \$2,070,367 and the bank balance was \$2,129,230. The difference in amounts is attributable to deposits in transit. At December 31, 2015, Little Traverse Bay Humane Society's uninsured cash balances totaled \$550.
